Co. Reg. : 00041365

Since the 1930's, our Plastic Moulding division has excelled in the small to medium volume manufacture of injection mouldings up to 227g [8oz] shot weight. Our Demag & Windsor machines span the 20 to 150 tonne range and our Pad & Screen printing facilities enable colourful & decorative logos etc.

- ~ Pad & Screen Printing.
- ~ Hot Foiling.
- ~ Embossing & Colour Dyeing of Mouldings.

Supplying the Off Road Vehicle, Furniture, Electrical, Hardware and Leisure industries.

We work closely with all clients, assisting from design through development and sampling to on time delivery.

The latest technology is not enough.....  
.....we have dedicated people to use it
